

Different Spokes San Francisco 2010 Membership Form

Pride Special!

Thank you for your interest in Different Spokes San Francisco! Founded in 1982, we are the Bay Area's cycling club for the gay, lesbian, bisexual and transgender community. We welcome you to our club and look forward to seeing you on many of our rides.

While DSSF is exclusively managed by volunteers, the club relies on the financial support of its members to meet expenses, including Post Office box rental, insurance, and website costs.

The club also relies on members to lead rides, help organize events, and assume leadership roles. There are many ways that you can make DSSF a fun and enjoyable experience for all members. To volunteer, please send an email to our Membership Coordinator at membership@dssf.org or President at president@dssf.org.
